Welcome to QUALCHEM PRODUCTS, where helping you find cleaning solutions, is our aim.

### QUALITY

With quality control checks carried out throughout the manufacturing process, we know our products are good quality and reliable.

### ENVIRONMENT

At QUALCHEM, we care about the environment. Where possible, we use ingredients that are bio-degradable, non toxic and friendly on the environment.

### KIWI MADE

All our products are made in New Zealand. We incorporate new overseas technology into our products to bring you outstanding cleaning solutions.

### SPECIALITY PRODUCTS

If you can't find what you need, please tell us.

As we manufacture a huge range of cleaning products, we will probably have something that will satisfy your need. Just phone 0800 QUALCHEM.

### NO COMPARISON

The difference is clear. We simply offer great products and great service.

## BATHROOM & TOILET CLEANERS
